INDUSTRY FORUM & AWARDS (BIFA) 2026

"Building Resilient Infrastructure, Shaping Future Economies"

BUILDERS DECK

19 May 2026 | 8.00 am - 11.30p.m

Grand Ballroom, Bangi Avenue
Convention Centre (BACC), Bangi

Triplett CG

EXECUTIVE SUMMARY

The B.U.I.L.D.E.R.S. Industry Forum & Awards 2026 (BIFA 2026) is established as a high-authority national and international platform designed to elevate standards of excellence across the construction, infrastructure, engineering, property development, and broader built environment ecosystem. Conceived as a governance-driven initiative rather than a conventional industry event, BIFA 2026 serves as a strategic convergence point for leadership, policy, investment, innovation, and sustainable development within one of the most capital-intensive sectors of the global economy.

Positioned at the intersection of industry leadership, regulatory governance, technological transformation, and ESG integration, BIFA 2026 convenes a diverse network of decision-makers shaping the future of infrastructure and urban development. Participants include major developers, construction firms, engineering consultancies, project managers, government agencies, regulators, investment institutions, sustainability experts, and global industry stakeholders.

The platform is structured around two core institutional pillars. The Industry Forum facilitates strategic dialogue on key themes such as digital construction, smart cities, infrastructure financing, ESG compliance, climate resilience, and governance transparency. Complementing this is the B.U.I.L.D.E.R.S. Industry Awards, a recognition platform grounded in a structured evaluation framework that validates measurable achievements through independent assessment and documented performance.

Through keynote addresses, executive roundtables, technical discussions, and cross-border investment dialogue, BIFA 2026 aims to strengthen Malaysia's leadership within the regional infrastructure ecosystem while laying the foundation for broader ASEAN and global recognition.

More than an industry gathering, BIFA 2026 is designed to catalyse strategic partnerships, unlock investment opportunities, promote responsible infrastructure development, and institutionalise a culture of excellence across the built environment value chain.

Key Industry Focus Areas

- Construction & Engineering
- Infrastructure Development
- Property & Township Development
- Smart Cities & Urban Planning
- Facilities & Asset Management
- ESG & Sustainability
- Digital Construction & Industry 4.0
- Public Sector Infrastructure
- Investment & Infrastructure Finance
- Industrial & Economic Zone Development

EVENT OVERVIEW

The B.U.I.L.D.E.R.S. Industry Forum & Awards 2026 (BIFA 2026) is a premier industry platform that brings together leaders, decision-makers, and stakeholders from across the construction, infrastructure, engineering, and built environment sectors. The event is designed to facilitate strategic dialogue, strengthen industry collaboration, and recognise excellence within one of the most important sectors driving national development.

Through a combination of an industry forum and a prestigious awards ceremony, BIFA 2026 provides a platform for knowledge exchange, business networking, and recognition of organisations and individuals who contribute significantly to the advancement of infrastructure and the built environment ecosystem.

Event Name	B.U.I.L.D.E.R.S. Industry Forum & Awards 2026 (BIFA 2026)
Date	19 May 2026
Venue	Grand Ballroom, Bangi Avenue Convention Centre (BACC), Bangi
Time	Conference : 8.00 am – 5.00 pm Awards : 7.00 pm – 11.30 pm
Organiser	Malaysia International Forum, Exhibition & Conference (MIFEC)
Co-organiser	Avancer Fm Services Sdn. Bhd
Education Partners	Olympia Education Malaysia
Corporate Partners	Maxmoore International Sdn. Bhd.
Technical Advisors	Fakulti Teknologi Kejuruteraan, UTHM
Expected Participants	Approximately 300 participants including industry leaders, developers, engineers, investors, government representatives, and professionals from the built environment sector.

PROGRAMME

Track 1 – Global Infrastructure Outlook (Morning Session)

Global Infrastructure Outlook 2026: Strategic Resilience in a Volatile World

Key discussion themes include:

- Emerging Market Growth Trends
- Geopolitical Risks & Infrastructure Stability
- Construction Cost Escalation & Global Supply Chain Shifts
- ESG Compliance & Regulatory Pressure in Capital Markets
- ASEAN Mega Projects & Cross-Border Infrastructure Corridors

Track 2 – Global Partnerships & Investment (Midday / Early Afternoon Session)

Infrastructure Without Borders: International Partnerships & Investment Acceleration

Strategic focus areas:

- Public-Private Partnerships (PPP) & Cross-Border Investment Models
- Islamic & Sustainable Infrastructure Financing
- Smart Cities & Digital Infrastructure Development
- Industrial Parks & Economic Zone Development
- Risk Governance & Contract Discipline in Mega Projects

Track 3 – Strategic Infrastructure Capital (Late Afternoon – Executive Policy Session)

Strategic Infrastructure Capital Solutions: Unlocking Financing Through Banks, Funds & Cooperatives

Key investment discussions include:

- Infrastructure Sukuk & Green Bond Financing
- Institutional Capital Mobilisation for Mega Infrastructure
- Development Finance & Multilateral Funding Models
- Investment Risk Mitigation Strategies
- Infrastructure Fund Structuring & Project Bankability

B.U.I.L.D.E.R.S. INDUSTRY AWARDS 2026 Gala Recognition Night

The B.U.I.L.D.E.R.S. Industry Awards 2026 celebrates outstanding leadership, innovation, and excellence across the built environment ecosystem.

Programme Highlights:

- Presentation of 50 Institutional Excellence Awards
- Nation Builders Honour Awards – Special Leadership Recognition
- High-Level Industry Networking Dinner
- International Cultural & Performance Showcase

B.U.I.L.D.E.R.S. INDUSTRY FORM 2026

The B.U.I.L.D.E.R.S. Industry Forum 2026 brings together industry leaders, policy-makers, investors, and professionals to discuss key developments shaping the future of infrastructure and the built environment. The forum provides a platform for strategic dialogue, knowledge sharing, and collaboration among key stakeholders in the industry.

The programme features several key discussion tracks covering global infrastructure trends, investment opportunities, and technological transformation within the construction and development sectors.

Global Infrastructure Outlook

Exploring the future of infrastructure development and the challenges facing the industry.

Key discussions include:

- Emerging infrastructure trends in global markets
- Construction cost and supply chain challenges
- ESG requirements and sustainability in infrastructure development
- Regional infrastructure growth within ASEAN

Infrastructure Partnerships & Investment

Focusing on collaboration and investment opportunities within the infrastructure ecosystem.

Key discussions include:

- Public-private partnership (PPP) models
- Cross-border infrastructure investment
- Smart cities and digital infrastructure development
- Industrial and economic zone development

Strategic Infrastructure Financing

Addressing capital mobilisation and financing strategies for infrastructure development.

Key discussions include:

- Infrastructure financing and investment funds
- Green financing and sustainable infrastructure funding
- Institutional capital mobilisation
- Risk governance and financial structuring

WHAT PARTICIPANTS WILL GAIN

Participants attending the B.U.I.L.D.E.R.S. Industry Forum 2026 will benefit from:

Access to Industry Forum Sessions

Attend keynote presentations and expert discussions covering critical topics in infrastructure development and built environment innovation.

Industry Knowledge & Strategic Insights

Gain perspectives from industry leaders, policymakers, financiers, engineers, and development experts.

Professional Networking Opportunities

Engage with professionals from across the built environment ecosystem including developers, contractors, consultants, and investors.

Direct Engagement with Industry Stakeholders

Build relationships and explore potential collaborations with decision-makers and strategic partners.

CIDB CCD Points

Participants will gain 10 CIDB Continuous Contractor Development (CCD) points for attending the forum.

OFFICIAL PARTICIPATION CERTIFICATE

Participants of the B.U.I.L.D.E.R.S. Industry Forum 2026 will receive an official Certificate of Participation as recognition of their involvement in this premier industry platform.

The certificate acknowledges their engagement in strategic discussions and knowledge exchange with leaders from the construction, infrastructure, engineering, and built environment sectors.

FORUM PARTICIPATION FEES

10 CCD Point

HRD Claimable

Normal Rate
RM 388.00*

Student / University Rate
RM 188.00*

B.U.I.L.D.E.R.S. INDUSTRY AWARDS 2026

The B.U.I.L.D.E.R.S. Industry Awards 2026 Gala Night is the highlight of the event, celebrating outstanding achievements and leadership within the construction, infrastructure, engineering, and built environment sectors. The gala evening brings together industry leaders, corporate executives, policymakers, and professionals for a prestigious night of recognition and networking.

During the ceremony, distinguished organisations and individuals will be honoured for their contributions to innovation, sustainability, governance excellence, and nation-building within the built environment ecosystem. The awards aim to recognise those who demonstrate measurable impact, professional excellence, and leadership in shaping the future of infrastructure development.

B.U.I.L.D.E.R.S. Industry Awards 2026

- Presentation of 40 Industry Awards recognising excellence across multiple sectors
- Honour Awards celebrating exceptional contributions to nation-building
- Exclusive Networking Dinner with industry leaders and decision-makers
- International Performance Showcase and entertainment

INDUSTRY AWARDS 2026

Purpose of the B.U.I.L.D.E.R.S. Industry Awards 2026

The awards serve to:

- Recognise excellence in the built environment industry
- Celebrate innovation and leadership in infrastructure development
- Promote governance, sustainability, and professional standards
- Honour organisations and individuals contributing to national development

AWARD CATEGORIES

The B.U.I.L.D.E.R.S. Industry Awards 2026 recognises outstanding achievements across the built environment ecosystem, honouring organisations and individuals who demonstrate excellence in infrastructure development, engineering innovation, governance leadership, and sustainable industry practices.

The awards are divided into two major categories: Institutional Awards and Individual Leadership Awards, ensuring recognition across both organisational excellence and professional leadership within the industry.

Institutional Awards

(Company / Organisation Awards)

These awards recognise organisations and institutions that have demonstrated exceptional performance, innovation, and leadership in delivering impactful infrastructure and built environment projects.

1. *Master Planning Excellence Award*
2. *Integrated Development of the Year*
3. *Industrial & Economic Zone Developer Award*
4. *Infrastructure Financing Excellence Award*
5. *Islamic Infrastructure Finance Award*
6. *ESG & Green Financing Excellence Award*
7. *Engineering Consultancy of the Year*
8. *Architectural Design Excellence Award*
9. *Mechanical & Electrical Engineering Excellence Award*
10. *Governance & Compliance Excellence Award*
11. *Procurement Transparency & Tender Integrity Award*
12. *Construction Company of the Year*
13. *Infrastructure Project Delivery Excellence Award*
14. *Industrial Construction Excellence Award*
15. *Quality & Safety Leadership Award*
16. *Digital Construction Transformation Award*
17. *Construction Technology Innovation Award*
18. *Sustainability & ESG Excellence Award*
19. *Climate-Resilient Infrastructure Award*
20. *Facilities & Asset Lifecycle Excellence Award*

Individual Leadership Awards

These awards recognise individuals who have demonstrated outstanding leadership, professional excellence, and contributions to the advancement of the built environment and infrastructure industry.

1. *Built Environment Leader of the Year*
2. *Infrastructure Governance Leadership Award*
3. *Project Director of the Year*
4. *Construction Manager of the Year*
5. *Chief Engineer of the Year*
6. *Structural Engineering Excellence Award*
7. *Mechanical & Electrical Engineering Excellence Award*
8. *Geotechnical Engineering Excellence Award*
9. *Environmental Engineering Excellence Award*
10. *Architect of the Year*
11. *Quantity Surveyor of the Year*
12. *Procurement & Tender Integrity Leader Award*
13. *Risk & Compliance Excellence Award*
14. *Contract & Claims Excellence Award*
15. *Infrastructure Finance Leader of the Year*
16. *Islamic Finance Innovation Leader Award*
17. *ESG Finance Champion Award*
18. *Urban Planner of the Year*
19. *Development Strategy Leadership Award*
20. *Public-Private Partnership Leadership Award*
21. *Digital Construction Leadership Award*
22. *Construction Technology Innovator Award*
23. *Sustainability Leader of the Year*
24. *Climate Resilience Champion Award*
25. *Health, Safety & Environment Champion Award*
26. *Quality Assurance Leadership Award*
27. *Facilities Management Leader of the Year*
28. *Asset & Lifecycle Management Excellence Award*
29. *Real Estate Performance Leadership Award*
30. *Emerging Built Environment Leader Award*

PLATFORM OVERVIEW

Two Premier Events. One Powerful Sponsorship *Double the Exposure, Double the Impact*

The B.U.I.L.D.E.R.S. Industry Forum & Awards 2026 (BIFA 2026) is a premier national platform bringing together leaders from the construction, infrastructure, engineering, property development, and the broader built environment ecosystem.

BIFA 2026 integrates two high-impact programmes within a single strategic platform, creating a powerful environment for industry dialogue, recognition, and high-level networking.

The B.U.I.L.D.E.R.S. Industry Forum 2026

A strategic industry dialogue platform featuring policymakers, industry leaders, financiers, developers, engineers, and technology innovators discussing the future of infrastructure development, investment, governance, sustainability, and digital transformation.

The B.U.I.L.D.E.R.S. Industry Awards 2026

A prestigious recognition ceremony honouring organisations and individuals who demonstrate excellence across the built environment value chain, evaluated through the structured B.U.I.L.D.E.R.S. framework covering governance, engineering mastery, innovation, sustainability, and nation-building impact.

Together, these two premier programmes create a platform that combines industry leadership dialogue, institutional recognition, and strategic networking.

STRATEGIC INDUSTRY PLATFORM

BIFA 2026 is designed not merely as an event, but as an institutional platform that connects the entire built environment ecosystem, including:

- Government agencies and regulators
- Infrastructure developers and construction leaders
- Engineering and consultancy firms
- Financial institutions and investors
- Technology innovators and solution providers
- Universities and professional bodies

This platform serves as a convergence point for policy dialogue, investment discussions, strategic partnerships, and recognition of nation-building contributions within the infrastructure sector.

WHY PARTNER WITH BIFA 2026

The BIFA Sponsorship Programme offers organisations a unique opportunity to position their brand at the centre of one of Malaysia's most influential built environment platforms.

Through a single integrated sponsorship, partners gain visibility across both the Industry Forum and the prestigious Awards Gala Night, providing:

- Strategic brand exposure to industry decision-makers
- Thought leadership opportunities through speaking or panel participation
- High-impact brand presence across event marketing platforms
- Direct networking with developers, contractors, consultants, and investors
- VIP engagement opportunities during the Awards Gala Night
- Long-term association with a platform recognising nation builders

AUDIENCE PROFILE

BIFA 2026 is expected to bring together approximately 300 distinguished participants, including:

- C-level executives from construction and development companies
- Infrastructure investors and financial institutions
- Government agencies and regulatory authorities
- Engineering, architecture, and consultancy leaders
- Technology innovators and solution providers
- Academic institutions and emerging professionals

This curated audience ensures sponsors gain direct exposure to high-value decision makers and strategic partners within the built environment ecosystem.

STRATEGIC BENEFITS FOR SPONSORS

Industry Leadership Positioning

Demonstrate your organisation's leadership within the construction and infrastructure ecosystem.

Direct Access to Decision-Makers

Engage with CEOs, developers, contractors, engineers, consultants, financiers, and policymakers.

High-Impact Brand Visibility

Extensive branding exposure across:

- Event marketing campaigns
- Official event banners and stage backdrops
- Digital and social media promotions
- Official programme publications

Thought Leadership Opportunities

Selected sponsors may participate in keynote sessions, panel discussions, and industry dialogue platforms.

VIP Networking Opportunities

Sponsors gain privileged access to networking sessions during the Awards Gala Night.

A PLATFORM THAT CELEBRATES NATION BUILDERS

BIFA 2026 is more than an event — it is an institutional platform dedicated to recognising organisations and individuals whose contributions shape the future of infrastructure development and national progress.

By supporting this initiative, sponsors become partners in promoting excellence, innovation, and sustainable development within the built environment sector.

DIAMOND SPONSOR – RM100,000

LEADING THE INDUSTRY. POWERING THE PLATFORM.

Naming & Speaking Rights

- “Powered By” Official Naming Rights

Forum Speaker / Panelist Session

- Keynote Speaker opportunity
- 10-minute Industry Presentation
- Panelist participation in forum session

Premium Branding & Logo Placement

- Logo placement on Official Event Banner & Main Stage Backdrop
- Logo featured across Official Media & Marketing Materials
- Brand exposure on Official Social Media Campaigns
- Recognition in Soft Launching Announcement
- Pre-Session Logo Projection on stage screen

Digital Stage Branding

- Pre Session Logo Projection
- Full Screen E-Banner Display on Stage (Static)

Strategic Venue Branding

- **Brand visibility at major event touchpoints including:**
- Main Entrance
- Walk Path
- Event Foyer
- Main Hall
- Behind Rostrum during VVIP & VIP Speeches
- Strategic Branding Locations throughout the venue

On-Stage Recognition

- Opportunity to participate in Memento Presentation Ceremony
- Opportunity to present VVIP Memento on Stage

Conference Participation

- 15 Conference Tickets
- 50% Discount on Additional Conference Tickets

Media & Promotional Exposure

- 1-Minute Corporate Video Showcase during event
- Special Recognition by Emcee
- Sponsorship acknowledgement throughout the event

Promotional Opportunities

Opportunity to distribute Promotional Giveaways to Delegates at Registration

Gala Night Privileges

- 5 x VIP 1 tables seating
- 2 x dinner table (10 Pax per table)

Magazine & Editorial Exposure

- 2-Page Featured Article in the official B.U.I.L.D.E.R.S. Magazine
- Premium Advertisement Placement

PLATINUM SPONSOR – RM50,000

SUPPORTING LEADERS. SHAPING THE FUTURE.

Forum Speaker / Panelist Session

- Keynote Speaker opportunity
- 5-minute Industry Talk
- Panelist participation opportunity

Branding & Logo Placement

- Logo placement on Event Banner & Official Backdrop
- Logo inclusion on Official Media & Event Marketing Materials
- Brand exposure on Social Media Promotions
- Recognition in Soft Launching Announcement
- Pre-Session Logo Projection on event screen

Digital Stage Branding

- Pre Session Logo Projection
- Half-Screen E-Banner Display on Stage (Static)

Strategic Venue Branding

- Main Entrance
- Walk Path
- Event Foyer
- Main Hall
- Strategic Event Locations
- On-Stage Recognition

On-Stage Recognition

- Opportunity to participate in Memento Presentation on Stage
- Brand recognition during VIP ceremony segments

Conference Participation

- 10 Conference Tickets
- 40% Discount on Additional Conference Tickets

Media & Promotion Exposure

- 30-Second Corporate Video Showcase during event
- Brand recognition through Special Mention by Emcee
- Sponsorship acknowledgement throughout the event

Promotional Opportunities

Opportunity to provide Promotional Giveaways for Delegates at Registration

Gala Night Privileges

- 3 x VIP 2 tables seating
- 1 x dinner table (10 Pax per table)

Magazine Exposure

- 2-Page Featured Article in the official B.U.I.L.D.E.R.S. Magazine
- Double Page Advertisement or Centerfold Feature in the official B.U.I.L.D.E.R.S. Magazine

SILVER SPONSOR – RM25,000

SUPPORTING EXCELLENCE ACROSS THE BUILT ENVIRONMENT

Forum Speaker / Panelist Session

- 5-minute Industry Talk
- Panelist participation opportunity

Branding & Logo Placement

- Logo placement on Event Banner & Official Backdrop
- Logo inclusion in Official Media & Event Marketing Materials
- Brand visibility on Social Media Promotions
- Recognition during Soft Launching Announcement

PARTNERSHIP INVITATION

The B.U.I.L.D.E.R.S. Industry Forum & Awards 2026 (BIFA 2026) presents a unique opportunity for organisations to align their brand with one of the most important gatherings within the construction, infrastructure, engineering, and built environment sectors. By partnering with this platform, sponsors will not only gain valuable brand exposure but also demonstrate their commitment to advancing industry excellence and sustainable development.

We invite corporations, developers, engineering firms, financial institutions, and strategic partners to collaborate with us in shaping the future of the built environment ecosystem. Through this partnership, organisations can strengthen their industry presence, build meaningful connections with key stakeholders, and support a platform that recognises the nation builders driving infrastructure progress.

Together, we can contribute to the growth of a stronger, more innovative, and more resilient infrastructure industry while celebrating the achievements of those who are shaping tomorrow's built environment.
